In accordance with the decision taken at the Senate's session dated 10.07.2024 and numbered 22/01, the student must meet the following requirements to be eligible to take the thesis defense examination:

- At least one (1) article derived from the student's thesis, indexed in SCI (Science Citation Index) or SCI-Expanded (Science Citation Index Expanded) journals, must be accepted. (The doctoral student must be the first author or corresponding author of this article.)
- At least one (1) article accepted in SCI (Science Citation Index), SCI-Expanded (Science Citation Index Expanded), or other internationally indexed journals.
- As the first author or corresponding author, the student must present at least two (2) oral presentations, one of which must be international.
